**2018 Budgie Campbell Mansfield Gridiron Club Golf Tournament - Hole Sponsorships / Donations**

The “Budgie Campbell Open” was established in 1983 in memory of Charles “Budgie” Campbell, one of the founders of the Mansfield Midget football program. Sadly, in 1982, Budgie Campbell died of heart failure at the young age of 41. Budgie’s dedication to Mansfield’s youth was immense, and his passion for football was even greater. In honor of his enthusiasm for youth athletics in Mansfield, the “Budgie Campbell Open” was organized to fund the Mansfield High School football program. The 2017 tournament is the 35th anniversary of the tournament and will be held on Friday, August 10th, 2018, at Olde Scotland Links Golf Course, www.oldsotlandlinks.com, in Bridgewater, MA.

The Gridiron Club of Mansfield has provided support and funding to the Mansfield High School football program for over 26 years. Through the generous contributions of its members, football players' fundraising efforts and donations from the community, the Gridiron Club has provided student-athletes the necessary tools to succeed:

- A fully supervised, first class weight room available to all Mansfield students (athlete and non-athlete);
- Funding for additional coaching staff to enable greater student participation in the program;
- Assists the Athletic Department budget by subsidizing game jersey’s, game pants, and other items;
- State-of-the-art video equipment used for training and in support of college recruitment process;
- Service opportunities to promote a culture of giving and citizenship within the Mansfield community;
- Gridiron funded helmet upgrades, providing players with state-of-the-art concussion resistant helmets;
- Subsidize team events, such as trips for out of state games, spaghetti dinners, pizza parties, etc.;
- Annual scholarships to three graduating senior football players.
- We also pick a local kid in the community to be an honorary captain at each home game with free jersey.
- Assist with community outreach programs like the Relay for Life, Turkey Brigade, Leaf Raking for the elderly, veteran’s turkey give-away at thanksgiving, and the Mansfield Benevolent Circle Toy Drive.

The Gridiron Club’s function is to raise money for the football program, but also to increase the kid’s awareness about the proper way to embrace the local community that supports them. The goal is that 10% of every dollar raised at the tournament is put back into the community through the various programs we support, as outlined in the last bullet above.

Last year’s golf tournament was a big success and we hope you will consider using the golf tournament to market your business. The cost of a hole sponsorship is \$100.00. We also offer a special “combination program” that combines a golf hole sponsorship with a banner in the end zone for each home game and a 1/2 page ad in the 2018 Gridiron Club “Program Book”. The Program Book is available this season to attendees at each of our home games (Typical attendance has ranged from 2,000-3,000 people over the last few years!). The cost of this “combination sponsorship” is \$400.00. We would also very graciously accept gift cards/certificates (minimum \$50) or other raffle items like certificates to play golf at local clubs. These items will be raffled/auctioned off at our annual golf tournament. We have found these gift cards to be most profitable to our sponsors as recipients generally spend more than their value at your establishment.

Please indicate your level of sponsorship below:
